As always, it's a privilege to serve the Membership of Rolling Hills Country Club. If September was any indication of what the golf course will be in years to come, our future is bright here at Rolling Hills. We all deserve it and I can't say that I have ever anticipated a golf season as much as I am looking forward to 2020!!!!

If we can be of any assistance, please don't hesitate to contact us. Hours of operations are reduced this time of year. If you need assistance or anything from the Golf Shop, please email @ [kevinrhinehart@bellsouth.net](mailto:kevinrhinehart@bellsouth.net), text or call Kevin @ (270) 556-5471.

# ***FROM THE BOARD OF DIRECTORS:***

Happy Holidays Membership! We as a Board have decided to put quick announcements about the Board's activities and what we are working on in the monthly newsletter. These reports will be brief and are not intended to be all encompassing, but they are meant to give you a look into what we are working on.

As you are aware, we elected 4 new members to the Board in October who began their work on the Board in November. They have a lot to learn and have spent the better part of this month getting caught up on the activities of the Board to date, being introduced to their responsibilities, and establishing their committees. These committees are made up of RHCC members in addition to the Board members resulting in more people being involved in the committee level discussions. For those of you who are not aware, the majority of the work of the Board is at the committee level. If you are interested in getting involved and having your voice heard, please reach out to the appropriate committee chair/board member. They will be happy to have your support.

Next month we will be diving heavily into the 2020 budget and determining what our needs are and what we need to do to ensure a successful 2020. We plan to work hard developing a budget that is sustainable. We will present the budget to the membership with the annual State of the Club report in February.

Thank you all for your continued support and recognition of the work that our Staff and our Board does for this club. We appreciate your confidence in us and look forward to seeing you all at the Directors' Christmas Party on December 22nd !
