

GOLF COURSE COMMITTEE NOTES – December 9, 2019

RHCC Members,

The Golf Course Committee was out Saturday, December 7th, marking stumps around the course. We have determined there are approximately 125 stumps to be removed. The Golf Course Committee is in the process of getting bids. If there are any members who know someone that would like to bid on removing these stumps, please contact John Rikel.

There have been a lot of questions about why we need to remove stumps that are not in play. The quick answer is to prevent damage to mowers and to make it easier to mow around, both of which saves us money in repairs and man hours.

As always, feel free to contact any Committee member with questions.

Thanks,

The Golf Course Committee

Benny Brown

Chris Griffin
