Greetings to Membership,

Greetings to the Membership,

I will begin with "WOW"!!!!!! We are fortunate in that we do have a beautiful course to play to ease these stressful times. The Clubhouse is closed. To check in prior to play, we ask that you call RHCC Golf Shop at 270.554.3025 or text Kevin at 270.556.5470. We have been forced to drastically cut staff hours. I am asking you to be patient with us as we get through this difficult time.

I would like everyone to know we are following the CDC guidelines for sanitizing and disinfecting to protect our members and our employees and to attempt to prevent any further spread of this virus. We have made and continue to make good use of our time cleaning and sanitizing.

At this time, upcoming events are still scheduled subject to change due to restrictions from the pandemic. We strive to keep everyone updated.

All the best in golf, Kevin E. Rhinehart, PGA

FROM THE BOARD OF DIRECTORS:

It has certainly been an odd couple of weeks for us all. The COVID-19 Coronavirus outbreak has required us to change our lifestyle and to social distance. The Governor has shut down most all non-essential businesses that include our Golf Shop and bar. The good news is that we can still go outside in small groups and play golf as long as we adhere to the social distancing guidelines and prevent the spread of the virus by not touching common items such as flagpoles and each other's equipment.

We do not know when we will get back to "normal"; but for now, we need to focus our attention on the health and safety of our community and ourselves. The best thing we can do right now is 1) listen to the Governor's guidance on social distancing, 2) practice good hand hygiene by washing your hands with soap and water for at least 20 seconds or by using alcohol based hand sanitizers and 3) keeping surfaces clean by using disinfectant and antibacterial wipes. The Golf Course Committee has sent out guidelines as to how we can do these things while still enjoying the course, so please pay attention to the new recommendations and enjoy the opportunity to get outside.

GOLF COURSE UPDATE

Circumstances change almost daily, so please keep up to date by checking your email and social media accounts. Thank you all for your continued support of our club. If you have any questions or have any suggestions, please let any of us know.

Governor Beshear stated golf courses are still exempted from his closure orders and will remain so if we practice social distancing and adhere to CDC Guidelines. So the course at Rolling Hills continues to remain open with the following restrictions:

- Walking is strongly encouraged.
- Only one person per cart (Members of the same household are permitted to share a cart.)
- Don't share equipment or pick up golf tees that have been used.
- Call the Golf Shop at 270.554.3025 or text Kevin at 270.556.5470 from the parking lot to check in prior to play.
- Maintain acceptable spacing while on the course.
- Foam has been added to the cups to prevent the need to reach all the way in to retrieve your ball. PLEASE DON'T REMOVE OR TOUCH FLAGSTICKS.
- Continue practicing personal sanitizing habits as recommended by the CDC and WHO while on the course.
- No gathering of large groups in the parking lot prior to or after your round.

Until further notice, golfers may play any time the course is open. Ladies' Day, Men's Day and restrictions on youth golfers are suspended until the Clubhouse reopens.

The Golf Shop is not open for in-person traffic. Any business must be transacted over the phone and picked up curbside. Call the Golf Shop at 270.554.3025 or contact Kevin at 270.556.5470.

To protect our members and employees, RHCC has instituted cleaning and sanitizing procedures pursuant to CDC guidelines and recommendations on the course. We encourage everyone to follow these guidelines and recommendations as well.

We will do our best to keep everyone informed as changes occur. Be sure to follow us on Facebook, Twitter and Instagram for up to date information. And thanks for your patience.
