Greetings to the Membership,

I know these are trying times for everyone. The golf course continues to be very busy. We are fortunate to be able to enjoy a safe place to get away to. May is here which means we are on summer golf rules with no fivesomes after May 1st. Ladies day and men's day are open for anyone to play. Juniors are able to play outside of the normal junior rules. We ask that Juniors avoid Thursdays and weekends after 2:00 PM. If you do come upon a group of Junior Golfers, they will allow faster players to play through.

Duke and Duchess

Many applications have been completed online and mailed. You may go the RHCC website, or contact the Golf Shop to sign up. This tournament is scheduled for June 13 and 14. Last year's participants are guaranteed their spot until May 1. Tournament is open to anyone after that date until full.

Men's Invitational

The Rolling Hills Men's Invitational is scheduled for July 11 and 12. Applications for the event will be available on the website and mailed early May. This event is first come, first served.

Pee Wee Clinic

The Pee Wee Clinics are usually in May. This will be rescheduled. No date at this time. These clinics last approximately 50 minutes. Fee is \$50. All parents, grandparents, or guardians are welcome to watch.

Match Play

Men's Match play will begin the end of May. This event is a match play one on one with each player in separate carts. This event follows the rules of the CDC. If you have not signed up, please contact the Golf Shop. Entry fee is \$20 per player. We have 20 plus players at this time.

FROM THE BOARD OF DIRECTORS:

I am sure that you are all getting tired of stay at home orders, wearing masks and hearing about the COVID-19 Coronavirus by now. Unfortunately, it looks like we will have a long summer ahead of us as we work to slowly open up the economy in a safe way. Thankfully, when it is nice outside, we can social distance on the golf course and get some much needed sun and exercise. We are not certain yet when we will be able to get the pool open for the summer, or when we can open the clubhouse again; but we will keep you posted as we learn more.

Thank you all for your patience and support as we go through this together. The Board and RHCC leadership are constantly reviewing the guidance and directions of the Governor's office and are working diligently to make sure that as we can reopen parts of our club, that we can do so in a safe manner. We do not know when that will be, so stay with us as we navigate through this. And please know that as we decide how and when to expand operations, we will do so with the safety of each member as our first priority.

Ladies' Golf Leagues

No organized activities with either the Ladies' Day League or Ladies' Night league at this time. We encourage golfers to enjoy a round of golf while adhering to social distancing guidelines.

Board of Directors Meeting

The May meeting of the Board of Directors is scheduled for Monday, May 18th. This meeting may be conducted via telephone depending on the State guidelines in place at the time.

GOLF COURSE UPDATE

Circumstances change almost daily, so please keep up to date by checking your email and social media accounts. Thank you all for your continued support of our club. If you have any questions or have any suggestions, please let any of us know.

Governor Beshear continues to allow golf courses an exemption from his closure orders and will continue to do so if we practice social distancing and adhere to CDC Guidelines. So the course at Rolling Hills continues to remain open with the following restrictions:

- Walking is strongly encouraged.
- Only one person per cart (Members of the same household are permitted to share a cart.)
- Don't share equipment or pick up golf tees that have been used.
- Call the Golf Shop at 270.554.3025 or text Kevin at 270.556.5470 from the parking lot to check in prior to play.
- Maintain acceptable spacing while on the course.
- Foam has been added to the cups to prevent the need to reach all the way in to retrieve your ball. PLEASE DON'T REMOVE OR TOUCH FLAGSTICKS.
- Continue practicing personal sanitizing habits as recommended by the CDC and WHO while on the course.
- No gathering of large groups in the parking lot prior to or after your round.

Until further notice, golfers may play any time the course is open. Ladies' Day, Men's Day and restrictions on youth golfers are suspended until the Clubhouse reopens.

The Golf Shop is not open for in-person traffic. Any business must be transacted over the phone and picked up curbside. Call the Golf Shop at 270.554.3025 or contact Kevin at 270.556.5470.

To protect our members and employees, RHCC has instituted cleaning and sanitizing procedures pursuant to CDC guidelines and recommendations on the course. We encourage everyone to follow these guidelines and recommendations as well.

We will do our best to keep everyone informed as changes occur. Be sure to follow us on Facebook, Twitter and Instagram for up to date information. And thanks for your patience.
