PGA Jr League is comprised of local golf teams playing in friendly competition that encourages both skill development and team-building. PGA Jr. League is played in a fun and exciting scramble format where two players per team compete at one time, the best shot from the two is selected and the shot is played until the ball is holed out. Teams wear numbered jerseys and play four nine-hole matches per game, with the ability to substitute players every three holes, ensuring that all team members have the chance to participate. Similar to other youth sports, this format allows new players to fully engage in the game by learning in a team environment first and working toward a higher level of performance later. This encouraging and fun atmosphere keeps kids engaged and interested in continuing to play golf as they grow older. Just a reminder, anyone who participates in PGA Jr League will receive half off the Junior Golf Clinic.

Practices will be on Fridays at 8:00 AM starting June 8th
